2. Patient Policies & Procedures

2.1 Appointment Scheduling

Appointments can be scheduled by phone at (415) 555-0198, through our patient portal at www.advanceddentalcare.com/portal, or by visiting the clinic in person. We recommend scheduling routine cleanings at least two weeks in advance to secure preferred time slots. Emergency patients are accommodated on the same day whenever possible. New patient appointments should be scheduled at least 45 minutes to allow for comprehensive examination and records collection.

2.2 Cancellation & No-Show Policy

We require a minimum of 24 hours notice for all appointment cancellations or rescheduling. Patients who fail to provide 24-hour notice will be charged a cancellation fee of \$50 for routine appointments and \$100 for extended procedures (crowns, implants, root canals). Patients who do not show for their appointment without any prior notice will be charged the full cancellation fee and may be required to provide a deposit before scheduling future appointments.

- Same-day cancellations due to medical emergencies will be waived with proper documentation
- Two or more no-shows within a 12-month period may result in dismissal from the practice
- We will send appointment reminders via SMS and email 48 hours before your scheduled visit

2.3 Patient Privacy & HIPAA Compliance

Advanced Dental Care Center is fully compliant with the Health Insurance Portability and Accountability Act (HIPAA) of 1996. We maintain strict confidentiality of all protected health information (PHI). Patients are required to sign a HIPAA authorization form during their first visit.
